

## Sons & Daughters Entertain

A large attendance was present at the literary meeting of the Sons and Daughters of Zion Society, which was held at the Adath Yeshuran Synagogue on last Sunday evening. Mr. Archie H. Cohen, chairman of the Propaganda Committee, presided over the affair and at the close of the program spoke of the purpose of these meetings, which the society hopes to present to the Jewish community from time to time.

The program was as follows:

Mr. J. L. Aronson, "A Sketch of Dr. Herzl's Life."

Mr. J. Lamnovitz, "Our Holidays."

Miss Miriam Feld, "Current Events."

Mr. A. T. Weiner, "Jewish Nationalism."

Each number was delivered with much enthusiasm and an evening well passed was the general verdict of all who were present.

Dr. W. Willner announced the tragic death of one who had been instrumental in establishing the first colonies in Palestine, namely, the Pesach Tikvah, a man who lived and died for his people, the late Joshua Stampfer. Heartfelt sympathies were expressed by all present, and Dr. Willner was deeply moved by the news of his death, as he was personally acquainted with the great Jewish scholar and martyr to his people.—A. ## Simchas Torah Ball

The first annual Simchas Torah Ball to be given under the auspices of the Herzl Zion Society and the Sons and Daughters of Zion will take place on Sunday evening, October 18, at Bryan Hall.

Zionism has appropriated Simchas Torah for its own just as B'nai B'rithdom has appropriated Chanuka, and a day more fit for an affair of the kind could not have been chosen.

This being the first of a series of annual balls to be given under the auspices of the United Zionist Societies, everything possible is being done to make the affair a memorable one in the realm of balldom.

To those who are fond of tripping "the light fantastic toe" a most enjoyable time is promised; while those who cannot number the "terpsichorean art" as one of their accomplishments can find plenty of diversion and pleasure by engaging in conversation and in looking on.

Practically all of the tickets have now been distributed, and the committees in charge are feeling very confident as to its success.

Tickets may be procured from the secretaries of either society, or from any of the members.

### To-Day and To-Morrow.

Give me thy tears,  
And they shall wash away  
The scars and bitterness  
Of yesterday.  
Give me the rose  
That in thy bosom lay,  
And it shall be  
Mine oris flame to-day.

Give me thine eyes,  
That I may look and see  
Thy inmost heart  
In all its purity.  
Give me thy kiss,  
And then our lives shall be  
One for to-morrow  
And eternity.

What a consoler is woman! No presence but hers can so win a man from his sorrow, make plaid the knit brow, and wreath the stern lips into a smile. The soldier becomes a light-some boy at her feet; the anxious statesman smiles himself back to the free-hearted youth beside her; and the still and shaded countenance of care brightens beneath her influence, as the closed flower blooms in the sunshine.
